What Is The Nature Of Special Education Teaching ... Because of the nature of his job, the Special Ed teacher collaborates not only with the school administrator, but works closely with the school psychologist, social and health workers, the general education teachers and especially with the children's parents. Nature vs. Nurture in Special Education The author discusses aspects of the nature versus nurture equation in special education. She is critical of three assumptions that influence the special education including that students with disabilities must show that they can learn before they can be taught with nondisabled students, students. Special Education in the Schools - Council for Exceptional ... Special education's most valuable contribution to education is its specialized knowledge, competencies, values, and procedures for individualizing educational programs for individual children, whatever their special needs.

ERIC - Effective Intervention for Students with Specific ... The nature of effective instruction for students with specific learning disability is explored. Process training has long been a prominent intervention but is shown to possess limited efficacy. Better outcomes are attained when effective general education instructional techniques are adapted for the purposes of special education. Related services are also shown to be useful adjuncts to the. The Nature of Special Education: People, Places and Change ... Read this book on Questia. Contains a collection of brief case studies of children, families, professionals, curricula and schools which illustrate and illuminate contemporary methods in special education. Nature and use of curriculum in special education. - Free ... The general purpose of this study was to gather the information directly from special education teachers in regards to the nature and use of curriculum in special education. Not surprisingly, the results indicated that the majority felt that the IEP is the primary source of special education programming.

ERIC - The Nature of Special Education: People, Places and ... The text, designed to accompany an Open University course on the education of handicapped children in the United Kingdom, presents 51 papers illustrating approaches to the integration of handicapped persons in the school and the community.
